

# KastleAccess

STATE-OF-THE-ART SECURITY AND CONVENIENCE

## WORLD CLASS SECURITY

With breakthroughs such as dynamic digital credentials and the expertise of multiple UL Listed, CSAA Five Diamond Certified 24x7 monitoring centers, you have peace of mind that your people and property are protected by only the best.

## INCREASED CONVENIENCE

Kastle provides enhanced security while increasing convenience and manageability through the use of a single credential across buildings and interior spaces.

## EVERGREEN SOLUTIONS

Kastle stands by its products, and provides ongoing maintenance and support to keep your system working at peak performance as well as offering you enhancements to your software for free.

## KASTLE RUNS IT FOR YOU

When you buy a Kastle system, you are buying a complete solution. Kastle takes care of everything system related, so you can focus on your core business.
